

The 1934  
WINTER CARNIVAL

## To the Alumni

In the history of Middlebury College the contact between alumni and undergraduate students has always been one of intrinsic value to us, who have not yet attained a similar position with you beyond this campus, and one, we hope, which pleasantly renews your college experiences and memories. We heartily invite you to share in making our First Winter Carnival a success and on behalf of the Mountain Club, which makes possible this unusual homecoming celebration, we offer

**"A Sincere Welcome"**

## The Mountain Club

It was really Mr. Battell who made it all possible when he gave us his 35,000 acres of forest for a playground! That was in 1915 and Middlebury students have been romping there ever since.

But it was not until the spring of '31 that an organization appeared which enabled groups to play together in this great expanse of unspoiled woodland. Thirty men and women made a snowshoe trip to the top of Lincoln Mountain, the January of that year, and on the way back Johnny Storm and Sam Abbott thought it out. Three days later a faculty-student meeting was held in Dean Hazeltine's room and two weeks later a committee of investigation was appointed by the student body. By the end of February membership cards were circulating.

So it was that the Middlebury Mountain Club began and in the few years of its life it has gained a larger and more vigorously interested membership than any other group on the campus. Open to the faculty and alumni, it offers a splendid opportunity for the older Middlebury enthusiasts to become well acquainted with the undergraduates.

Club activity includes skiing, tobogganing, snowshoeing, fishing, climbing, ski-joring—and now our Winter Carnival! The membership tax was two dollars to start with, but it has been reduced to one dollar which entitles a member to the use of club equipment such as knapsacks, cooking utensils, snowshoes, and fishing tackle, as long as advanced reservations are made. For each type of activity, leaders are responsible for their phase of work, whether it is for the trails, cabins or the equipment.

The goal towards which the Club is working, is the construction of a central lodge for week-end trips within hiking distance of the college. When plans were sketched and a site suggested, it was interesting to learn from Professor Voter that in his college days a similar organization which died out when the leaders graduated, had chosen the same place for a lodge with almost identical plans. This lodge will be both the expression of the hopes of former Middlebury students and a source of enjoyment for future ones.

## Acknowledgment

In behalf of the Winter Carnival Committees I wish to thank all those who have helped in making this first Winter Carnival of the Middlebury Mountain Club a success. Many members of the Club and of the faculty have given the maximum of both their time and energy, the names of whom this small space could not possibly hold.

However, I feel especially indebted to the Governing Board of the Mountain Club; the "Brain Trust"; the Student Life Committee; Mr. I. Gunderson and Dr. Glenn Giere of the Rochester Ski Club (Minnesota); Mr. H. L. Garren of Lake Placid, New York; Mr. Emerson Day of the Dartmouth Outing Club, Hanover, New Hampshire; Mr. Roger Hall '22, of Fort Fairfield, Maine; Mr. Leonard Zeeman of Middlebury; and Miss Elizabeth B. Bailey '35, whose helpful cooperation has been of the utmost importance in insuring the Carnival's success.

W. WYMAN SMITH, '35, Chairman.

## Winter Sports Team

MORE interest than ever has been shown this year in Middlebury's winter sports team.

Renewed zeal and enthusiasm have been furnished by building on the old site on Chipman Hill, a new ski-jump, somewhat larger than the former one. This will be completed in the spring, ready for next year's carnival.

Although Midd is expecting some very strong competition this year, there are good prospects for interesting downhill and cross-country ski races, as well as speedy snowshoe events.

Squad: Captain Kelly, Meacham, Springstead, J. Holmes, Hubbard, Pierce, O'Connor, Miles, White, H. Cady, C. Young, Berry, Dwyer.

## Hockey Team

FADED with the most difficult schedule ever attempted by a Middlebury hockey team the Blue and White sextet completed last year's season in a creditable manner. Although the winners in only two games and although sadly beaten in the contests with Yale and Dartmouth, the team showed that it had potentialities in the Princeton game.

This year if Middlebury's hockey team were playing clubs representing schools of the same size, one could safely say that a successful season was forecast. The schedule includes encounters with the following clubs: Army, Princeton, Williams, Brown, Massachusetts State, Hamilton, Colgate, Dartmouth, Lake Placid A. C., Alumni, Union, and St. Michael's.

Squad: Dwyer, Melbye, M. Swett, MacLean, Bakey, Hickcox, Brooks, Moore, Westin, Lombardy, Phinney, Dawes.
